CHRIST LUTHERAN CHURCH

OCTOBER 2023

"The Spirit of the Lord is upon me, because he has anointed me to bring good news to the poor. He has sent me to proclaim release to the captives and recovery of sight to the blind, to let the oppressed go free, to proclaim the year of the Lord's favor." (Luke 4:18-19)

Grace and peace to you my siblings in Christ,

When the Scroll was handed to Jesus to read in the synagogue early on in his ministry, he read the verses above from Isaiah 61:1-2 and concluded with this statement, *"Today this scripture has been fulfilled in your hearing."* (Luke 4:21). God's promise of old was being fulfilled by Jesus that day upon their hearing. The Scriptures testify the presence of the Holy Spirit in a form of a dove when he was baptized in the Jordan River. Empowered by same Spirit Jesus began his public ministry.

The same Spirit was being bestowed upon his disciples and those who gathered in Jerusalem during Pentecost from every corner of the world to proclaim the good news of Jesus' resurrection and to continue the works that Jesus has begun;

to bring good news to the poor, to proclaim release to the captive and recovery to the blind, to let the oppressed go free and to proclaim the year of the Lord's favor.

In our baptism we are sealed by the Holy Spirit and marked by the cross of Christ, God bestowed and sustained us with the gifts of the Holy Spirit; *'The Spirit of wisdom and understanding, the Spirit of counsel and might, the Spirit of knowledge and the fear of the Lord and the Spirit of joy in God's presence, both now and forever.'*

Indeed, the Holy Spirit is upon us; here and now, in our homes and in our church. I sense a momentum in our church, but I call it 'the Spirit is at work'. The Holy Spirit is at work in our church in many and different ways and forms. I sense that through our worship, bible studies, prayers, fellowship and service to our community. We are beginning to live out our new mission statement or statement of purpose *'walking with Christ, we love and serve our church and neighbors.'*

Two particular events recently that showed our living out our mission were through our involvements with the Gaslight festival and our Church's picnic. Besides reaching out to our neighbors, we also built relationships with members while serving together. Likewise with our church picnic; it was a joy to come together with our members and neighbors to worship together and to enjoy fellowship with one another. It was even more joyful to see our young members helping and serving our church and community. In doing so we discovered Christ among us as we continue to fulfil the call God is calling us as we stated in versus above and we do it joyfully.

Walking together with Christ with you!

Pr. Bimen Limbong

Beloved children, our love can't be an abstract theory we only talk about, but a way of life demonstrated through your loving deeds.

COUNCIL UPDATE

- ‡ **Staffing** – We’ve been checking into resources for sharing out the Director of Youth and Young Adult Ministry job opening and will be posting it in various spots this coming month. I reached out to Pr. Boehm for his insight, as Ascension hired their youth director just a few years ago. He gave us some suggestions but shared that it took them well over a year to fill their position, which was very comparable to the hours and pay rate we have in mind. So, patience, prayers, and publicity may be the keys to finding the right candidate for us.
- ‡ **Kitchen Update** – We can officially call our kitchen update completed! Our two new ranges and the warming unit have been installed, and even given the thumbs up recently from a caterer using our kitchen. The warmer was already put to use during our picnic.
- ‡ **Synod Updates** – Pr Nancy Nyland attended our Sept council meeting via Zoom to check on our visioning process and share updates from the Synod office. As previously announced, Bishop Gafkjen will be retiring in Sept 2024, and Pr Dan Fugate has accepted a call as the Pastor of a congregation in Indiana. A new bishop will be elected at next year’s annual Synod meeting. CLC was set to host one of this Fall’s regional Synod in-person gatherings, but they have been cancelled due to all the staffing transitions.
- ‡ **Visioning Updates** – Pr Nyland has been guiding council throughout our visioning process. With her help, we developed our new mission statement, *“Walking with Christ, we love and serve our church and our neighbors.”* We’ve already gotten busy living out that mission—landscaping at Tully Elementary, hosting a booth at the Gaslight Festival, throwing a community picnic, hosting a Shredding event, and more. Each of those initiatives simply started with identifying a need, identifying solutions, and some folks with willing hearts raising their hands to help. As we enter our annual Stewardship drive, I hope you’ll put some creative thought into other ways CLC can live out our mission, and how you can get involved by sharing your time, talent, and treasures. To that end, we’ll be celebrating Consecration Sunday on November 19th with a potluck lunch, coupled with some congregational brainstorming—what do you want to see CLC start doing, stop doing, or continue doing? How can you employ your spiritual gifts to make things happen?

For surely I know the plans I have for you, says the Lord, plans for you welfare and not for harm, to give you a future with hope. — Jeremiah 29:11

As always, I and my fellow council members ask for your feedback, suggestions, support, and most of all prayers, that we lead with wisdom and compassion, in all we do for Christ and Christ Lutheran Church.

Your servant in Christ, Sarah Pryor

TOUCHING OUR NEIGHBOR

The Gospels tell about times when Jesus touched people and often healed them this way. Does this mean we should go around physically laying our hands on people who seem to have problems? Thinking about these Gospel stories can leave us with several questions. What is touching - is it real contact or is it symbolic? Who is our neighbor - someone who lives next to the church or to our home? Could it be one our fellow church members? When do we need to touch someone - during a time of crisis or sorrow?

Let's take a look at CLC. The Social Ministry Committee of Christ Lutheran plans opportunities to help us reach out and touch someone usually, but not always, within our community. Historically, we have reached out to college students, people who need assistance through JAM, people needing visits either at home or in a center, people needing help with fall clean-up or housing needs, and people who need emotional help by sending cards and making visits. We are continually reminded of people needing prayers while experiencing a difficult time in their lives.

One of our repeated avenues of helping neighbors is through JAM, the Jeffersontown Area Ministries. We continually supply food, we have held toilet tissue drives and we provide Christmas gift cards to families. Another on-going ministry of support is through WaterStep which collects gently used shoes to be sent to areas of need throughout the world. During the past few months we shipped 17 bins of shoes. Our youth participate by packing snacks to be given to the homeless in our community through "Street Reach." Other activities have included providing meals for the Ronald McDonald House, providing the foster care agency needed items and sharing presents to residents of the Gaslight Court Apartments.

Are you interested in participating in any of these activities with our congregation? If so, Roger Miller, who chairs the Social Ministry Committee, or Pastor Limbong will be happy to talk with you. It's good to touch someone in need.

MUSIC NOTES

For many of the local folks, October means it is time for the St. James Art Festival. For many Lutherans, October means celebrating the festival of Reformation which we do on the last Sunday in October although the actual date is October 31. This month we'll take a look at one of the three hymns probably most associated with that day.

Built on a Rock (ELW 652) - the other two being *A Mighty Fortress Is Our God* and *Lord, Keep Us Steadfast in Your Word* - is by the Dane Nikolai F.S. Grundtvig and first appeared with 9 verses in 1837. He later cut the hymn to seven revised stanzas. In 1809 it was translated into English by Carl Doving and later revised by Fred C.M. Hansen for our *Service Book and Hymnal* (1958) with five stanzas. The church bells in stanzas 1 and 5 provide the frame and point to the center. The falling steeples likely refers to the Carillon in the Church of Our Lady in Copenhagen which was bombed and destroyed by the English army in 1807. (On a personal note it makes me think of the heartbreaking fire that destroyed so much of the Notre Dame Cathedral in Paris a few years ago!) Grundtvig is the author of six other hymns in ELW, the great majority of which are familiar to our congregation.

The tune *Kirken den er et gammelt hus* was written by Ludvig M. Lindeman in 1840 for this hymn and is described by the *Hymnal Companion* as a "compelling and sturdy tune."

Our choir is planning to sing an anthem version of *Built on a Rock* by Mueller on October 29.

Director of Music

The above information comes in part from *Hymnal Companion to Evangelical Lutheran Worship* by Paul Westermeyer and published by Augsburg Fortress.

This month JAM is accepting donations of personal hygiene items: soap, body wash, deodorant, diapers (sizes 4, 5, & 6), baby wipes, feminine hygiene products, depends, razors, shaving cream, etc..

Please consider dropping off these items at our church for families in the Jeffersontown area. You may also drop off at JAM directly, but please call first to make sure they are open. Their number is 267-1055.

THERE'S A NEW GAL IN OUR OFFICE

Have you noticed the initials “HH” on communications? They belong to the new gal in our office, Heather Harding. A bundle of energy, enthusiasm for her new job and a commitment to caring for people ... these are all descriptions for Heather.

Growing up in a small church family in the countryside near Lexington, Heather has lifelong experiences of working in very different types of occupations. But she has always been interested in what makes people who they are. From studying psychology and sociology in college, to working as a CNA, to managing a call center, or to event planning, people have fascinated her. She tells about a stint as a Corrections Officer in the jail in her area and how this led to plenty of activity and learning from a different perspective!

Known as a “social butterfly,” Heather keeps in touch with friends from school days and college as well as other parts of her life. She has always sought to involve herself in building positive relationships as she works with people.

Heather is settling into life in Louisville, and she is eager to make friendships within our church family as well as within the community. She looks forward to helping CLC grow through events and relationships. She sees her role as one in which networking within the Lutheran community and within Jeffersontown will help build positive relationships. And her experience in event planning will be extremely useful as she works with us.

With such a welcoming, compassionate personality, Heather is anxious to get to know us. You will find our new gal in the office weekdays from 8:3-am-4:30pm. Stop by and introduce yourself to Heather!

Mission Accomplished at the Gaslight Festival!

We wanted to meet our neighbors and share the love of Christ at this year's Gaslight Festival, and I think we can call our foray into the J-town community a success. From Friday, September 15th through Sunday, September 17th, 20 of our members volunteered to spend a couple of hours at our booth, handing out fun giveaways, inviting folks to CLC's many upcoming events, and collecting prayer requests.

We enjoyed beautiful weather and steady crowds, who absolutely *loved* the sunglasses and painted rocks we handed out—so much so that we ran out of both early in the afternoon on Saturday. We had fun and learned a lot, with many enthusiastic about doing it again next year. It's been years since we hosted a booth at Gaslight—it felt great to be out in the J-town community again. We hope that you'll consider joining us next year!

A Day of Sunshine, Food, & Fun at our Community Picnic!

95 folks attended our outdoor worship on Sunday, September 24th, after which we served up lunch to 78 members and 92 guests (including 22 J-town High students from ROTC and Beta Club, plus 6 members of the J-town Fire Department).

The kids enjoyed the giant inflatable obstacle course, touring the J-town fire truck, blowing bubbles, playing on the playground, and making art with sidewalk chalk. More fun was had with cornhole, giant Jenga and Connect 4, Bocce Ball, Bingo, and the Cake Walk. It was so nice to just sit outside, enjoying yet another beautiful September day, listening to music, laughing and visiting with one another.

Please take some time to thank the community groups who supported our event, such as Bud's Tavern (who provided the pulled pork and chicken sandwiches), the groups from J-town high school (they were an impressive group of young men and women!), the J-town Fire Dept, plus bingo prize donors Malibu Jacks, Kentucky Kingdom, the Popcorn Station, and Hwang's Martial Arts.

This event was a true labor of love, and I cannot begin to thank everyone who helped make it happen! It all started back in July with a couple of questions posed to leaders of the Fellowship, Worship, Christian Ed, Youth Ministry, and Communication committees...What if we teamed up to do this? Will you help make it happen? Thank you to Bonnie Kroening, Becky Miller, Liz Dawson, Tracy Richardson, Liz Walker, and Pr Bimen for all saying yes that day back in July. From there, our group met regularly for the next two months, growing as more joined our efforts, adding their voices and labor to the planning—thank you, Rita Sarson, Sherri Hesler, Nancy Walsh, and Heather Harding for making us bigger and better. By the end, between planning, Saturday/Sunday setup, hosting and serving on Sunday, and teardown, I counted over 50 members who contributed to its success. Thank you all!!! I hope you had as much fun as I did, walking with Christ, loving and serving our church and our neighbors. [Check out our website for more photos](#)

Interested in Lending a Hand & Changing a Life in Louisville?

In past years, groups from CLC traveled to Nicaragua and Belize to build houses with Hand in Hand Ministries (H-in-H). Besides their international work, H-in-H also works in Appalachia and right here in the Louisville area.

Lend a Hand...Change a Life!

At our annual Youth Ministry Planning meeting last month, our youth expressed an interest in doing some hands-on good out in the community. Knowing what a great experience the Nicaragua and Belize trips were, we're considering partnering up with Hand in Hand Ministries again (potentially in April 2024) for one of their local immersion trips.

Louisville projects generally focus on making homes safe and accessible—building wheelchair ramps, installing safety bars in bathrooms, repairing steps, installing handrails, building fences, etc - and the experience can be scheduled as a one day event, or a multi-day immersion experience, for high school youth to adult.

Interested in learning more? Contact Sarah Pryor to indicate your interest in the next few weeks and she will schedule a fact-gathering meeting. This would not be a commitment at this point, but will help us gauge interest levels and decide where and how the Spirit may lead us to venture back out into the mission field again. Please prayerfully consider joining our youth in these efforts.

Walking with Christ, we love and serve
our church & neighbors.

WELCA Circle has resumed their monthly meetings on Tuesdays, in rooms 1 & 2 at noon. All attending should bring their own lunch. Bible study will follow lunch and fellowship. The group will also be working on a project. All women of CLC are welcome to join!!

The WELCA Annual Craft Fair will be held on Saturday, October 21 from 9am-2pm.

Volunteers will be needed to help set up, breakdown, man baked goods table and work in the kitchen at our annual craft fair. Contact Bonnie Kroening if you would like to volunteer!

SHREDDING SUCCESS

Saturday, September 30
Christ Lutheran in partnership with District 11 Councilman Kevin Kramer, hosted a community wide shredding event in our parking lot.

With the help of 5 students from St. X earning community service hours, **Shred-It** destroyed over 550 pounds of documents in a mere 3 hours.
