

THE MESSENGER

CHRIST LUTHERAN CHURCH

MARCH 2024

9212 Taylorsville Road
Jeffersontown, Kentucky 40299

502-267-5082

“Now there are varieties of gifts, but the same Spirit; and there are varieties of services, but the same Lord; and there are varieties of activities, but it is the same God who activates all of them in everyone. To each is given the manifestation of the Spirit for the common good” (1 Corinthians 12:4-7)

I was struck by an article written by Julian DeShazier, the senior minister of University Church in Chicago who describes how the 80/20 rule is a problem for churches. You may wonder what is the 80/20 rule he is talking about? The 80/20 rule or sometimes it is called ‘Pareto principle’ originated from an Italian economist named Vilfredo Pareto in 1895. He discovered that 80 percent of the land was owned by 20 percent of the people. This led other social scientists to notice similar patterns across society: the ‘vital few’ and ‘trivial many’. This theory suggests that in any group few (20%) are ‘vital’ and many (80%) are ‘trivial’. For example, in the business world 80 percent of the results come from 20 percent of activity or 20 percent of products generates 80 percent of revenue. Therefore we just need to take care of the vital few to get the most results.

CHRIST LUTHERAN CHURCH

Lead Pastor - Rev. Bimen Limbong

Director of Music - Ann Colbert Wade

This theory is adopted not only in the secular world but also in the church. The trend is that there is only about 20 percent of church members doing very much of everything for the church while the 80 percent often times become onlookers who just come to worship and go on with their lives (*or sometimes criticizing the work of the 20 percent.*) As a result, often times the 20 percent will eventually get burned out and quit for carrying the weight of the work alone.

The rule might work in the business world but it is not so with the church. The pastor or the church leaders sometimes tempt to focus on identifying and empowering the 20 percent to get things done. But that is not what the church is all about. For that reason, Julian DeShazier thinks that 80/20 is a problematic in the church. He said it is not biblical and that is not the way the church functions according to Acts chapter 2. The early church emphasized more communal functioning, instead of individuals only, where everyone is expected to pitch in as they could. Everybody brings something to the table.

In our church, feeding the homeless for instance, is not just the work of our social ministry or evangelism committees; it is the work of the church. Welcoming visitors or strangers is not the work of the fellowship or hospitality committees, but it is the work of the church and so forth. God's loving work is not supposed to belong to a committee or individuals, but it belongs to all of us. We all are the church together.

By no means do we say that we don't need committees, but we go beyond them. Recently we have gone beyond the 80/20 rule and surpassed our church committees by working together to a common purpose such as: Gaslight Festival, Community Picnic, Care Packaging, Caring Ministry and Dream Team just to name a few. People who were involved in those events found meaning and purpose and were excited to do it again. So it is not enough to rely on 80/20 but a 100 percent rule, where everybody participates in God's works. So sisters and brothers, I invite you all to walk with Christ to love our church and neighbors generously with the variety of gifts that we already have.

Serving Christ with you,

Pr. Bimen Limbong

COUNCIL UPDATE

from Council President, Sarah Pryor

As always, a main point of business at our first council meeting after the annual congregational meeting was the election of council officers and assigning council liaisons to our various committees for the year ahead:

Our 2024 Council Officers:

Roger Miller, President
Steven Sarson, Vice President
Alice Alvey, Secretary

Committee Liaisons:

Christian Education – Alex Casey	Memorial Fund – Randy Hesler
Youth Ministry – Sarah Pryor	Fellowship – Dale Breitenstein
Property – Dale Breitenstein	Endowment – Alice Alvey
Evangelism – Pr Limbong	WELCA – Nancy Walsh
Communications – Randy Hesler & Sarah Pryor	Small Group Ministry – Pr. Limbong
Social Ministry – Roger Miller	Global Mission – Pr. Limbong
Stewardship – Nancy Walsh	Green Team – Ann Wade
Worship – Steven Sarson	

In other business, Pastor Mercer indicated a desire to continue serving as Pastoral Assistant for the foreseeable future. We gratefully accepted his offer and feel blessed to have his continued support.

Committees had a lot to report this month. Some highlights: Christian Ed hosted its 2nd LIFT family-style Sunday School class (check out the next one on March 17!), Youth Ministry hosted another successful care package event, Property completed our conversion to LED lighting, and Worship is preparing for another busy Lenten season. The Memorial Fund Committee is looking into purchasing pickleball equipment, has purchased a gaga ball set, and is looking at Communion sets to purchase for our newly formed Caring Ministry Team.

Speaking of our Caring Ministry Team, their first meeting had a great turnout and looks to be off to a strong start, organizing into 3 specialty teams, each with their own leader: Visitation (Pam Ballinger), Hospitality (Sherry Davis), and Communion and Anointing (Steven Sarson). The entire endeavor will be headed by Pam, with Pr. Bimen advising as needed. Another group that held its first meeting this past month was the Dream Team. It was also well attended, with a great range of dreamers and doers.

The purpose of the Dream Team is to look for ways to make our building and facilities more welcoming and open for various uses to our members and community. Check out the whiteboard in room 1-2 to see some of the ideas they are brainstorming. It's exciting to see so many folks actively using their spiritual gifts to serve God and one another! If you have ideas or feel the call to join in, I invite you to take the leap and be both blessed and a blessing!

2023 felt like a great year for CLC, where we worked to re-connect with one another and the J-town community. It was a year of growth and blessings for me personally as well, and I sincerely thank everyone who offered their support, kind words, and hugs. It meant more than you know. 2024 looks to be continuing to build on the momentum; I'm happy to pass the baton to Roger Miller and feel privileged to continue working alongside the servant leaders we have on council—who knows where the Lord will lead us next! Always, I thank God for you, and ask for your generosity in blessing our council with your feedback, suggestions, support, and most of all your prayers, that we lead with wisdom and compassion, in all we do for Christ and Christ Lutheran Church.

Giving

Expected Receipts: \$30,842.00

Actual Receipts: \$56,248.00

SCAN ME

Actual Receipts are so much better than expected because some members chose to pay their entire pledge early in the year. Allowing for this, the estimate is that giving is \$5,000 behind expected after January. We will have a clearer picture after the first quarter consisting of January, February & March. We thank all members for their contributions. Thanks to February counters Trish & Randy Ferris

Driving to Our Future!!

In the Fall, we met as a congregation and started the process of asking what we would like to start doing, what we wanted to keep doing and what we thought we should stop doing. Responses have been gathered and some themes are starting to emerge.

Start (green) Fellowship, Worship, Membership and Community received the most responses. As a congregation, we want to be more present and active in our local community. We also want to grow in our faith and worship practices, grow stronger as a faith community and repurpose our facility to accommodate these changes.

Keep (yellow) responses were highest for Fellowship, Worship, Community and Christian Education. Though three of these four areas are the same in Start/Keep, the focus is different which opens the door to many growth opportunities.

Stop (red) responses focused a lot on the environment and being good stewards of the earth by increasing recycling efforts and using less plastic. Also mentioned was the need to stop finding faults without also working to find solutions.

These comments and data are now in the hands of our Council members for next steps to be determined. Be watching for more information on these next steps and how you, yes, you, can be part of moving our church forward toward our future!

A CARING MINISTRY

A Caring Ministry? What are we talking about? Isn't all our ministry "caring ministry"? ABSOLUTELY! We are all doing that, as we do things for each other and to help each other.

Can we do more? Are we missing people? FOR SURE!

Think about all the social ministry projects: quilts and baby blankets, CREW visits, Forest Hills Commons (church services & special occasions acknowledgments like Valentine's Day, Easter & Christmas), weekly prayer meeting, care packages for college students and homebound members, and many other things I am sure I have forgotten about. These are all caring ministries.

We started out a number of years ago with BeFriends - a structured program that requires training and a significant time commitment. It is not for everyone. It is focused on short term crisis intervention. This program made us aware of the need for other approaches to a caring ministry. We wanted to help others become involved and that's how the card ministry developed. It now has a thriving life of its own. We hear comments weekly of how much this mean to the recipients.

Other areas where people can be involved include visits, calls, texts, meals, taking communion to shut ins, childcare, transportation, etc. WE do many of these things because that is **who we are and what we do**. We do not want to take the place of staying in touch with friends and helping where you can, but we want to fill in where someone might be overlooked.

We are starting with three teams to help do this. **Visitation and Communication** will make visits to members who are homebound or in assisted living / nursing homes & hospitals, as well as calling and texting these individuals. Pam Ballinger is the team leader for this group. Her phone number is 502-321-3540.

continued on page 9

Communion and Anointing is another team, with Steve Sarson serving as team leader. His number is 502-295-9418. Training for this group will be happening soon. Please Steve know if you are interested in being trained.

Sherry Davis will serve as the team leader for our **Hospitality team**. This team will focus on meals and cards. Her phone number is 502-266-7943. We invite you to work on any or as many of these teams as you want. **Everyone can be a part of this!!**

We want to provide Pastor Bimen with a pool of people who are willing to makes phone calls, visit, provide communion, etc. Remember, we all need to help keep him informed. When you become aware of someone who needs a call or visit, make sure you let him know. We want our church family to know that when they can't get to church, they are not forgotten.

*Walking with Christ,
go in peace to
love & serve
our church & neighbors*

TACKLING HUNGER UPDATE

Wow! Go Team! Our Tackling Hunger initiative collected over 125 food items and \$450 dollars. The food items have been delivered to JAM and we will be sending a check soon.

Thank you once again for your loving donations. CLC has once again gone above and beyond to help our community and neighbors.

Communications at CLC

As we start a new year, here are a few best practices for maintaining good communications with one another.

- + **Not receiving church emails?** Contact Heather to make sure our database is up to date.
- + **Need to leave a note for Heather?** It's safer to put it in the office mailbox instead of on her desk, where papers can get inadvertently shuffled, moved around, and buried.
- + **Scheduling a meeting or event at church?** Don't forget to let Heather know so she can add it to our calendar. Copy church_office@christlutheranlouisville.com when scheduling meetings with your committee members, or fill out a **GREEN FORM** (located under the hall calendar) and drop it in the office mailbox. This will help Heather communicate upcoming events and know when to expect groups meeting in the building during the week. It will also help others avoid conflicts when scheduling additional meetings.
- + **Want to share information about your event?** Email **BOTH** Heather (church_office@christlutheranlouisville.com) **AND** Liz Walker (clcvolunteers9@gmail.com). Provide your Who/What/Where/When, any action needed, who to contact for questions, and photos/graphics to add interest. Our streaming announcement slides utilize green screen technology, so avoid using images that use green. And remember, the submission deadline for the Messenger is the 15th of the month prior. So if you have an April event for example, it's best to post an article in the March issue **at the latest**, which means you'll need to submit your article to Liz by February 15. Planning ahead helps everyone!

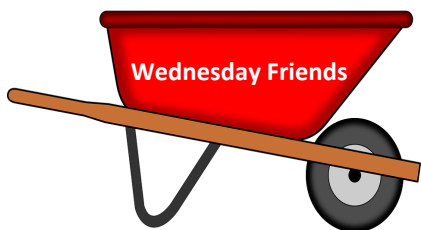

continued on page 7

Communications at CLC continued

- + **Have a concern about building maintenance or repair?** Fill out a **BLUE FORM** (located under the hall calendar) and place it in the office mailbox.
- + **If a delivery or service/repair appointment is made,** be sure to let Heather know and share her contact information with the serviceman. This way she knows when to expect them, they can contact her when they're coming, and she can let them in building as needed.

PROPERTY NEWS

One special project has been completed and that is the 474 florescent bulbs have all been replaced with long lasting LED bulbs. No more ballasts to replace either! Thanks to our property chair, Dale Breitenstein, for doing the majority of the work. The new bulbs are more energy efficient and the old ones have been recycled.

Wednesday Friends are back at working outside, trimming and cleaning up from winter. Anyone is welcome to come help keep those weeds away each Wednesday morning starting about 9:30. Or if you see weeds and wish to pull them anytime, that's GREAT too!

ASH WEDNESDAY 2024

DRIVE THRU ASH IMPOSITION

As we entered into our 2024 Lenten season with Ash Wednesday worship, we once again offered a drive thru ash imposition at noon. Pastor Bimen, in his robe, stood in our parking lot and anointed over 50 individuals in multiple cars with the blessing of Lenten ashes. Our “ashes to go” initiative was a huge success this year. Not only did we see members of Christ Lutheran, but members of our J'town community. What an incredible blessing!

We received a lot of feedback from those who came and those who saw our signs but were unable to participate. In our fast paced, busy world we were blessed to share our Ash Wednesday blessings with so many who may not have had the opportunity to receive. Just another way we are taking care of our church and neighbors.

CARE PACKAGE EVENT

Sending Love Across the Miles with our February Care Package Event

On Sunday, February 11th, 6 youth and 12 adults gathered after the late service to enjoy lunch together, then pack up care packages for those miles away, but close in our hearts, following the words in 1 John 4:19, “We love because he first loved us.”

We shipped 14 boxes to young adults who are away at college, personalized with some of their favorite salty and sweet treats, as well as some fun items specific to their hobbies and interests. We also put together gift bags for 20 homebound members, containing hand lotion, Chapstick, and socks to keep them comfy and cozy, plus some sweets, puzzle books, and inspirational mementos to remind them that they are loved. Once assembled, we enclosed cards that were signed by all and prayed that God would bless the contents of our care packages, the recipients, and those who helped to put it all together.

Thanks to all the parents and grandparents for giving us helpful hints for their students, for those who donated funds for our project, and helped with the packing. We also thank God for the Monday Prayer Group, newly formed Caring Ministry members, and others who hand-delivered the giftbags to our homebound members. Working together, we keep moving forward in our mission, *walking with Christ, we love and serve our church and our neighbors.*

VISITS MARY LOU MILLER

It was wonderful to see our church's youth group, CREW, go and visit one of our beloved members, Mary Lou Miller.

The smiles on everyone's face is proof that it was a blessed morning. The CREW members shared the Word, communion and music with Mary Lou. These young faithful Christians are truly the hands and feet of Christ.

THIRSTY THIRD THURSDAYS

Thirsty for theology? Thirsty for connection and fellowship? ...or just thirsty?

Whatever you thirst for, join us for one of our monthly gatherings, held **every 3rd Thursday of the month, starting around 6pm** (or whatever time you can make it).

No sign up, just show up—the aim is to have an easy, fun way to connect with each other—men & women, young & old, married & single. While this is an adult fellowship group, we'll check out venues around town that are kid-friendly, so you don't have to get a babysitter. Stop in for a quick visit or stay for dinner. Pay on your own.

In February, we had a huge crowd visit Great Flood Brewing in Middletown. It was another fun night of food, conversation and song as we serenaded birthday girl Karen Koch with a rousing round of Happy Birthday!

Servant Recognition

At the February council meeting, it was agreed to recognize monthly an individual for their “Behind the Scenes Contributions” to our congregation.

Sarah Pryor has been named Servant of the Month by council for her leadership as previous council president and for her overall ministry in our church.

ANNUAL MEETING RECAP

Our Annual Meeting was held on Sunday, January 28 immediately following the 11am service. In TRUE CLC fashion, a simply wonderful potluck lunch was provided prior to the meeting. The offerings were plentiful and there was no shortage of desserts. It was so amazing to see so many of our members in attendance.

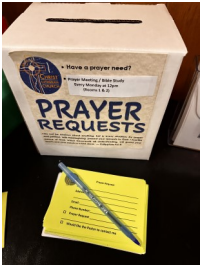

After lunch the meeting was called to order. The Annual Report was presented along with an overview of the 2023 finances and the 2024 Budget. Both were voted on and approved.

Pastor Bimen installed our new Church Council. We thank and welcome all our members who have agreed to serve on the 2024 Council. A list of the Council can be found on page 23.

Dear CLC Family,

God is good all the time and all the time God is good!

I finished 3 months of physical therapy on January 23, 2024. I'm feeling good, just still very tired. However, I have had great support from my church family and I'm sending thanks for the many prayers, calls, cards and food, etc. You are a great group and I'm thankful to be a part of you. Thanks to all!

Love, Marty Mercer

The afternoon of February 14th Nancy Walsh brought me a bag filled with goodies put together by a lot of people from Christ Lutheran. As I had been sick, she left it on the front porch and made sure I got it and left. I took the bag inside, not knowing what was in it but to my amazement it was full of beautiful wonderful gifts all of which I could use. I felt like a little kid on Valentine's Day. I just want to thank everyone who was involved in anyway putting these valentine bags together. I appreciate your kindness.
